Payment Authorization Form

(This form is required only for third party payment assignments.)

Commercial EV Charger Rebate Program

Instructions: The LADWP customer of record ("Customer") has the option of assigning the full rebate payment to another party ("Assignee"), such as the installation contractor. To exercise that option, the Customer must submit this completed form, including the signed acknowledgements by both the Customer and Assignee. The Customer acknowledgment may be signed by the Customer's authorized representative, provided that the authorized representative is not the Assignee or a representative of the Assignee.

Upload the completed form on the Rebate Payment Details screen of the online application or include it with a PDF application. The Assignee must also submit a completed and signed W-9 form.
