

ENERGY AND ENVIRONMENT COMMITTEE REPORT relative to a research partnership with appropriate entities to determine what investments should be made to achieve 100 percent renewable energy portfolio for the Los Angeles Department of Water and Power (LADWP).

Recommendations for Council action, pursuant to Motion (Krekorian - Bonin - Wesson):

1. REQUEST the LADWP to report with a program to develop and implement a research partnership, utilizing relationships with the region's universities, members of the Southern California Public Power Authority, the California Independent System Operator, neighboring utilities and other stakeholders, with the objective of determining what investments should be made to achieve a 100 percent renewable energy portfolio for the LADWP.
2. REQUEST the aforementioned research partnership to utilize the resources and develop in partnership with the efforts of the U.S. Department of Energy and its support of Mission Innovation and the Breakthrough Energy Coalition.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

Summary:

At a meeting held on April 20, 2016, the Energy and Environment Committee considered Motion (Krekorian - Bonin - Wesson) relative to a research partnership with appropriate entities to determine what investments should be made to achieve 100 percent renewable energy portfolio for the LADWP. A representative from the LADWP was present at the meeting and responded to related questions from the Committee members. After providing an opportunity for public comment, the Committee recommended that Council approve the recommendations contained in the Motion, as detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

MOTION

I MOVE that the Council AMEND the Energy and Environment Committee report relative to a research partnership with appropriate entities to determine what investments should be made to achieve 100 percent renewable energy portfolio for the Los Angeles Department of Water and Power, CF Number 16-0243 and Item Number 6 on today's agenda, to add additional recommendations to read as follows:

3. REQUEST that the LADWP work with local academic institutions to examine, over the course of the research into a 100% renewable portfolio, the potential for high quality careers and equitable local economic development, including local hiring programs for work that must be performed to modernize the electric system infrastructure within the City to increase efficiency, install energy storage, add distribution-connected renewable generation and otherwise enhance the electrical grid within Los Angeles.

4. REQUEST that the LADWP report to Council in 60 days on the specific areas of research to be considered and how it will initiate a stakeholder engagement process.
