CITY OF LOS ANGELES

NONDISCRIMINATION • EQUAL EMPLOYMENT PRACTICES CONSTRUCTION & NON-CONSTRUCTION CONTRACTOR

Los Angeles Administrative Code (LAAC), Division 10, Chapter 1, Article 1, Section 10.8 stipulates that the City of Los Angeles, in letting and awarding contracts for the provision to it or on its behalf of goods or services of any kind or nature, intends to deal only with those contractors that comply with the non-discrimination and Affirmative Action provisions of the laws of the United States of America, the State of California and the City of Los Angeles. The City and each of its awarding authorities shall therefore require that any person, firm, corporation, partnership or combination thereof, that contracts with the City for services, materials or supplies, shall not discriminate in any of its hiring or employment practices, shall comply with all provisions pertaining to nondiscrimination in hiring and employment, and shall require Affirmative Action Programs in contracts in accordance with the provisions of the LAAC. The awarding authority and/or Office of Contract Compliance of the Department of Public Works shall monitor and inspect the activities of each such contractor to determine that they are in compliance with the provisions of this chapter.

I. Los Angeles Administrative Code Section 10.8.2 All Contracts: Non-discrimination Clause

Notwithstanding any other provision of any ordinance of the City of Los Angeles to the contrary, every contract which is let, awarded or entered into with or on behalf of the City of Los Angeles, shall contain by insertion therein a provision obligating the contractor in the performance of such contract not to discriminate in his or her employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status, or medical condition. All contractors who enter into such contracts with the City shall include a like provision in all subcontracts awarded for work to be performed under the contract with the City. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the contractor's contract with the City.

II. Los Angeles Administrative Code Section 10.8.3. Equal Employment Practices Provisions

Every non-construction contract with or on behalf of the City of Los Angeles for which the consideration is \$1,000 or more, and every construction contract for which the consideration is \$1,000 or more, shall contain the following provisions, which shall be designated as the **EQUAL EMPLOYMENT PRACTICES** provision of such contract:

A. During the performance of this contract, the contractor agrees and represents that it will provide equal employment practices and the contractor and each subcontractor hereunder will ensure that in his or her employment practices persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

1. This provision applies to work or service performed or materials manufactured or assembled in the United States.
2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.
3. The contractor agrees to post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

C. As part of the City's supplier registration process, and/or at the request of the awarding authority, or the Board of Public Works, Office of Contract Compliance, the contractor shall certify in the specified format that he or she has not discriminated in the performance of City contracts against any employee or applicant for employment on the basis or because of race, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status or medical condition.

D. The contractor shall permit access to and may be required to provide certified copies of all of his or her records pertaining to employment and to employment practices by the awarding authority or the Office of Contract Compliance for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City contracts. On their or either of their request the contractor shall provide evidence that he or she has or will comply therewith.

E. The failure of any contractor to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City contracts. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to the contractor.

F. Upon a finding duly made that the contractor has failed to comply with the Equal Employment Practices provisions of a City contract, the contract may be forthwith canceled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the said contractor is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, such contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until the contractor shall establish and carry out a program in conformance with the provisions hereof.

G. Notwithstanding any other provision of this contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

H. The Board of Public Works shall promulgate rules and regulations through the Office of Contract Compliance, and provide necessary forms and required language to the awarding authorities to be included in City Request for Bids or Request for Proposal packages or in supplier registration requirements for the implementation of the Equal Employment Practices provisions of this contract, and such rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive orders. No other rules, regulations or forms may be used by an awarding authority of the City to accomplish the contract compliance program.

I. Nothing contained in this contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. At the time a supplier registers to do business with the City, or when an individual bid or proposal is submitted, the contractor shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

1. Hiring practices;
2. Apprenticeships where such approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
3. Training and promotional opportunities; and
4. Reasonable accommodations for persons with disabilities.

L. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with the City and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to the contractor. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the contractor's contract with the City.

Equal Employment Practices Provisions Certification – The Contractor by its signature affixed hereto declares under penalty of perjury that:

1. The Contractor has read the Nondiscrimination Clause in Section I above and certifies that it will adhere to the practices in the performance of all contracts.
2. The Contractor has read the Equal Employment Practices Provisions as contained in Section II above and certifies that it will adhere to the practices in the performance of any construction contract or non-construction contract of \$1,000 or more.

Affirmative Action Plan

CITY OF LOS ANGELES AFFIRMATIVE ACTION PLAN

The LAAC provides that the requirements of the program shall, as far as practicable, be similar to those adopted in applicable Federal Executive Orders. Such requirements are codified in the Code of Federal Regulations, Title 41, Chapter 60 and Executive Order 11246.

Purpose - An affirmative action program is a management tool designed to ensure equal employment opportunity. A central premise underlying affirmative action is that, absent discrimination, over time a contractor's workforce, generally, will reflect the gender, racial and ethnic profile of the labor pools from which the contractor recruits and selects. Affirmative action programs contain a diagnostic component which includes a number of quantitative analyses designed to evaluate the composition of the workforce of the contractor and compare it to the composition of the relevant labor pools. Affirmative action programs also include action-oriented programs. If women and minorities are not being employed at a rate to be expected given their availability in the relevant labor pool, the contractor's affirmative action program includes specific practical steps designed to address this underutilization. Effective affirmative action programs also include internal auditing and reporting systems as a means of measuring the contractor's progress toward achieving the workforce that would be expected in the absence of discrimination.

An affirmative action program also ensures equal employment opportunity by institutionalizing the contractor's commitment to equality in every aspect of the employment process. Therefore, as part of its affirmative action program, a contractor monitors and examines its employment decisions and compensation systems to evaluate the impact of those systems on women and minorities.

An affirmative action program is, thus, more than a paperwork exercise. An affirmative action program includes those policies, practices, and procedures that the contractor implements to ensure that all qualified applicants and employees are receiving an equal opportunity for recruitment, selection, advancement, and every other term and privilege associated with employment. Affirmative action, ideally, is a part of the way the contractor regularly conducts its business. OFCCP has found that when an affirmative action program is approached from this perspective, as a powerful management tool, there is a positive correlation between the presence of affirmative action and the absence of discrimination.

Every non-construction contract with or on behalf of the City of Los Angeles for which the consideration is \$100,000 or more and every construction contract with or on behalf of the City of Los Angeles for which the consideration is \$5,000 or more shall contain the **AFFIRMATIVE ACTION PROGRAM** provisions as required by the Los Angeles Administrative Code (LAAC) Section 10.8.4 et. seq. of such contract:

Per LAAC Section 10.8.4(K)(2), a contractor may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.

As provided by LAAC Section 10.8.4(K), this document sets forth the City of Los Angeles Affirmative Action Plan approved by the Office of Contract Compliance. 1. Apprenticeship where approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;
2. Classroom preparation for the job when not apprenticeable;
3. Pre-apprenticeship education and preparation;
4. Upgrading training and opportunities;
5. Encouraging the use of contractors, subcontractors, and suppliers of all racial and ethnic groups, provided, however that any contract subject to this ordinance shall require the contractor, subcontractor or supplier to provide not less than the prevailing wage,

CITY OF LOS ANGELES AFFIRMATIVE ACTION PLAN

In pursuit of accomplishing the intent of the City's Affirmative Action Program, the Affirmative Action Plan shall also consist of the following:

 - (a) Recruit and make efforts to obtain such employees through:

 2. Notifying minority, women and other community organizations of employment opportunities.
 3. Maintaining contact with schools with diverse populations of students to notify them of employment opportunities.
 4. Encouraging present minority, women and other employees to refer their friends and relatives.
 5. Promoting after school and vacation employment opportunities for minority, women and other youth.
 6. Validating all job specifications, selection requirements, tests, etc.
 7. Maintaining a file of the names and addresses of each worker referred to the contractor and what action was taken concerning such worker.
 8. Notifying the appropriate awarding authority of the City and the Office of Contract Compliance in writing when a union with whom the contractor has a collective bargaining agreement has failed to refer a minority, woman or other worker.
 - (b) Continually evaluate personnel practices to assure that hiring, upgrading, promotions, transfers, demotions and layoffs are made in a nondiscriminatory manner so as to achieve and maintain a diverse work force.

 - (f) Maintain such records as are necessary to determine compliance with equal employment and affirmative action obligations, and making such records available to City, State and Federal authorities upon request.
2. The contractor shall make a good faith effort with respect to apprenticeship and training programs to:

Failure to attain the anticipated levels of utilization shall not, by itself, disqualify the contractor for award of a contract or subject the contractor to any sanctions or penalties.

CITY OF LOS ANGELES
LIVING WAGE ORDINANCE
(Los Angeles Administrative Code Section 10.37 et seq.)

1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at www.lacity.org/bca/OCCmain.html.
- Provide employees with at least 12 paid days off per year for sick leave, vacation, or personal necessity; and at least 10 unpaid sick days off per year.
- Tell employees who make less than \$12.00 per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over \$25,000.00 and for at least three months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

4. Is an agreement subject to the LWO if it was entered into before May, 1997?

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May, 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

6. Are all employees covered by the Ordinance?

Intentionally left blank 8/18/06

7. Are an employer's subcontractors subject to the requirements of the Ordinance?

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

8. What happens if an employer is found to be in violation of the Ordinance?

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to one hundred dollars (\$100.00) for each day the violation remains uncorrected.

9. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

10. What can an employee do if an employer is in violation of the Ordinance?

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

11. Are there any exemptions available under the Ordinance?

An employer may apply for an exemption based on the following categories:

- Service agreements that are less than 3 months or \$25,000 or less.
- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
- Construction contracts that do not meet the definition of a service agreement.
- Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
- Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
- Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
- Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer's hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
- Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than \$454, 016 (effective July 1, 2010). The qualifying annual gross revenue is adjusted every July.
- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

12. Who is responsible for the administration and enforcement of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
 2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
 3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.
-
1. **The following exemptions do not require OCC approval or any Contractor Certification**: Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.
 - a. **Less than three months OR less than \$25,000 (LAAC 10.37.1(j))**. Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
 - b. **Other governmental entities (LAAC 10.37.1(g))**. Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
 - c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j))**. Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
 - d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j))**. Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
 - e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c))**. Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
 - (1) The assistance given in a 12-month period is below \$1,000,000 AND less than \$100,000 per year.
 - (2) The assistance is not for economic development or job growth.
 - f. **Business Improvement Districts (BID) (LWO Regulation #11)**. Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.
 2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13)**. No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.
 - a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g))**: Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child Care Workers as defined in the LWO Rules and Regulations (an employee "whose work on an agreement involves the care or supervision of children 12 years of age and under."). A copy of the IRS 501(c)(3) Exemption Letter will be required.
 - b. **One-person contractors with no employees (LAAC 10.37.1(f))**: Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS (Continued)

3. The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid..

- a. **Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersede the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
- b. **Occupational license (LAAC 10.37.1(f)):** Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
- c. **Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):** Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee: (1) employs no more than a total of seven employees; and (2) has annual gross revenues of less than \$454,016 (adjusted July 1, 2010). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for “Small Business” Exemption (Form OCC/LW-20) and submit the application with the documents requested on that form.
- d. **City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LWO-10).
 - (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
 - (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
 - (3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.
