COMMERCIAL EV CHARGING STATION REBATE PROGRAM DASHBOARD

Updated : June 3, 2020

CURRENT PROGRAM FUNDING (allocated through June 2020)

This dashboard provides status updates about the Commercial EV Rebate program. We value your participation in the Charge Up LA! Program and appreciate your interest in advancing electric transportation in Los Angeles. Please be aware that the program is not suspended, but we expect the application and rebate processing time to be significantly extended as a result of the COVID-19 pandemic. We are working diligently to process applications and are prioritizing payments. For additional program information, please visit www.ladwp.com/EV.
