New Pool Final Approved Permit Breakdown

1 Section 1: Installation Information

- The final approved permit must be from the Los Angeles Department of Building & Safety.
- The permit must include installation address and the description must correspond with the installation of a new pool.

2 Section 2: Permit Status

- The permit must include the final approved date.
- If the permit is from the Los Angeles Department of Building & Safety, the permit must show a **Permit Finaled** status. Approved Corrections Issued is not a **Finaled Status** and will not be accepted. If you have questions regarding the status of your permit, please contact the Los Angeles Department of Building & Safety. They can be reached by dialing 311 if calling within the City of Los Angeles, and via (213) 473-3231 for outside the City of LA.
