

State Lands Commission Lease Agreement:

No. 9597

Quarterly Report

March 2026

Pursuant to Section 2.4 of Special Provisions, State Land Lease Agreement 9597 (Lease), please find the hydrologic data presented on the attached hydrographs for wells, piezometers, and flumes covered under the Lease. Historical data, when available, are included in each hydrograph.

This quarterly report includes data collected through March 2026.

Data presented in this report is **subject to update resulting from QA/QC process**. Any wells omitted no longer exist or are not monitored for various reasons.

For any questions or comments, please feel free to contact Mr. Dustin Fischer via email at dustin.fischer@ladwp.com or by phone at (213) 367-2131.

Please note that with the Brine pool flooding, monitoring at some locations are on hold:

- Parcel 17 –No reads since December 2021 due to inaccessibility
- Parcel 43 – no reads since December 2025
- Parcel 55 – no reads after July 2025
