

## LADWP ZERO BY DESIGN EXPRESS

### ELIGIBLE MEASURES & INCENTIVE RATES

Measure Name	Measure Application	Incentive Rate
Water Cooled Chiller	Centrifugal w/ Conventional Variable Speed Drive	\$0.30/kWh
Water Cooled Chiller	Variable Speed Screw	\$0.30/kWh
Variable Speed Drive for a Central Plant System	Condenser Water Pump	\$0.30/kWh
Air Cooled Chiller	Air Cooled Constant Speed Screw Chiller	\$0.30/kWh
Cogged V-Belt for HVAC Fan	Fan Motor	\$0.30/kWh

### ELIGIBILITY

- The Measure must exceed Title 24 Standards.
- Estimated energy savings and incentives calculated from those savings will be based on energy efficiency improvements beyond the minimum current Title 24 requirements.
- To be eligible for incentives under this Program, applicant agrees that they will not apply for or receive any other incentive offered by local or state entities or utilities for measures covered under this Agreement.

### NON-AUTHORIZED EQUIPMENT IS INELIGIBLE

*The LADWP reserves the right to reject any proposed retrofit measures that are not in accordance with prevailing program guidelines, policies or terms and conditions. New equipment installations exceeding the number of measures authorized and/or installation of non-authorized or non-approved equipment are ineligible for rebate and may result in disqualification of the entire rebate application.*

## APPLICATION PROCEDURES

The LADWP Zero By Design (ZBD) application package includes:

- Fully completed and signed LADWP ZBD application (Part A), LADWP ZBD supplemental form (Part B), and Authorization Form (if applicable).
  - Completed LADWP ZBD Workbook (Excel document available for download at [www.ladwp.com/LADWPZBD](http://www.ladwp.com/LADWPZBD)).
  - Completed and signed IRS Form W-9 for the legal entity that will receive the incentive payment.
  - Schematic drawings and/or manufacturer specification sheets for all proposed equipment, if applicable.
1. Visit [www.ladwp.com/ladwpzbd](http://www.ladwp.com/ladwpzbd) to download all of the application documents and to review the Terms and Conditions and participation requirements to determine if you qualify.
  2. All projects require LADWP approval prior to the installation of any equipment. You must submit an application package to reserve funds.
  3. Submit all required forms via email to [LADWPZBD@ladwp.com](mailto:LADWPZBD@ladwp.com) or mail to:

**LADWP CI&I PROGRAMS**  
**LADWP Zero By Design Program**  
**111 N. Hope Street, Room 1057**  
**Los Angeles, CA 90012-2607**

4. A LADWP ZBD representative will contact you to confirm receipt of the application and schedule a pre-installation verification of the project site (if applicable).
5. Projects not completed within 48 months of LADWP approval may be cancelled and reserved funds returned to the program fund.
6. Once the project is completed, you must submit:
  - Invoices and/or documentation to support installation costs.
  - Completed and signed LADWP ZBD Installation Report.
  - LADWP ZBD Payment Assignment Form (if applicable).
  - Certificate of Occupancy.
  - LADWP electric account number.
7. After all required documents are received, you will be contacted to schedule a post-installation verification.
8. After installation is verified, a LADWP ZBD representative will review all documentation and process the incentive payment.
