BOARD COMMITTEE APPROVAL: <div style="border: 2px solid black; padding: 5px; display: inline-block; text-align: center;"> RECEIVED MAR 15 2007 </div> Board of Water & Power Com'rs. CITY OF LOS ANGELES		RES. No. 007 173 MAR 20 2007
		<i>1 COPY RES. TO Chief Admin Office</i> <i>1 General Counsel Water & Power</i> 4/4/07
CITY COUNCIL APPROVAL REQUIRED: Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>	IF YES, BY WHICH CITY CHARTER SECTION:	(Note: Agreement does not include all signatures)

PURPOSE:

Transmitted for your approval is the amended Intra-City Memorandum of Understanding (MOU) between Certified Neighborhood Councils (NC) and the Department of Water and Power (LADWP), approved as to form and legality by the City Attorney. Also transmitted is a resolution, approved as to form and legality by the City Attorney, authorizing approval of the amended MOU.

LADWP and the NC MOU Oversight Committee agreed to amend the April 5, 2005 MOU to further enhance effective communications, provide additional time for Neighborhood Council review of multiple year rate actions and extend the term of the MOU five years.

BACKGROUND:

Article IX of the Los Angeles City Charter established the creation of a citywide system of neighborhood councils to promote citizen participation in government and make government more responsive to local needs. Neighborhood councils include representatives of many diverse interests in the community and have an advisory role on issues of concern to neighborhoods throughout the City.

As a leader amongst City departments and in an effort to further enhance communication with neighborhood councils, on April 5, 2005, the Board of Water and Power Commissioners approved an MOU with certified neighborhood councils that chose to enter into such a MOU. The original MOU, approved as to form and legality by the City Attorney's Office, was for a term of two years and is on file with the Secretary of the Board of Water and Power Commissioners.

It was anticipated that over time, provisions of the MOU would need to be modified to further enhance effective communications between the Department and certified neighborhood councils that choose to enter into the MOU. Since April 5, 2005 LADWP's efforts to comply with the provisions of the original MOU have been commendable and appreciated. To that end, very few modifications were necessary. The single major modification to the original MOU provides additional time to the neighborhood council rate action review period. Following are all of the modifications to the original MOU:

- LADWP will use its best efforts to provide ninety (90) days' notice before any single year rate action is submitted to the Board.
- LADWP will use its best efforts to provide one hundred twenty (120) days' notice before any multiple year rate action is submitted to the Board.
- Neighborhood Council representatives will use their best efforts to provide annual NC Board membership and contact information to the Department of Water and Power.
- Each Neighborhood Council MOU participant will designate a single representative to serve as designee for reserving meeting rooms at LADWP facilities, and maintaining required compliance with LADWP Commuter and Reservation Office room reservation procedures.
- The LADWP Oversight Committee will provide LADWP annual and updated rosters of its members and Neighborhood Council MOU representatives.
- Prior to each meeting the LADWP Oversight Committee will use its best efforts to provide LADWP with an agenda.
- After each meeting the LADWP Oversight Committee will use its best efforts to provide minutes of the meeting, including a roster of attendees.

The original and amended MOU continues to have a variety of educational components, communication goals, and notification requirements to neighborhood councils. It is the most detailed and comprehensive MOU that was developed in 2005, and has become a model for other departments of the City. For example, the LADWP MOU provides for the following:

- LADWP will designate a liaison who will be the primary point of contact with each neighborhood council.
- LADWP will provide notification as soon as practical of all matters that it deems to be significant, or any matter that the Neighborhood Council Oversight Committee, after a majority vote of the Committee, has informed LADWP in writing is significant.
- LADWP will provide notification as soon as practicable, but before the Board of Water and Power Commissioners adopts a major policy or program, or makes significant changes in an existing major policy or program.
- If provided five working days notice, LADWP will use its best efforts to send a knowledgeable representative to attend a meeting of a neighborhood council or a meeting of a committee of a neighborhood council relating to service issues.
- LADWP will use its best efforts to provide notification of significant projects 90 days prior to the commencement of work within the City of Los Angeles.
- LADWP will use its best efforts to notify the affected neighborhood councils when LADWP applies for an excavation permit that will involve the closing or partial closing of streets for 48 hours or more.
- LADWP will use its best efforts to provide sixty days' notification prior to the Fall Budget Workshop.
- LADWP will use its best efforts to provide thirty days' notification prior to the Winter Budget Workshop.
- LADWP will use its best efforts to provide seven days' notice of any meeting at which the Board is scheduled to take action on a proposed rate action.

DURATION:

The term of the amended MOU will be five years, effective on the date it is approved by the Board of Water and Power Commissioners.

FUNDING SOURCE:

The potential increased staff resources are budgeted and funded seventy percent Power Revenue Fund and thirty percent Water Revenue Fund.

FISCAL IMPACT:

The amended MOU requires LADWP to designate liaisons that will act as the primary point of contact with each certified neighborhood council. The MOU requires notifications as well as certain other additional information and meetings that will result in a greater, but unknown amount of staff time necessary to foster better communications with neighborhood councils. It is anticipated that the Department will benefit from increased community involvement and awareness of significant issues confronting the Department.

RECOMMENDATION:

It is recommended that your Honorable Board adopt the Resolution approving the Amended Intra-City Memorandum of Understanding between Certified Neighborhood Councils and the Department of Water and Power and forward it to the Los Angeles City Council for their information.

Title

INTRA-CITY MEMORANDUM OF UNDERSTANDING / CERTIFIED NEIGHBORHOOD COUNCILS / DEPARTMENT OF WATER AND POWER

Subject

Motion - On April 5, 2005, the Board of Water and Power Commissioners (Board) approved Item # 14, on their regular agenda, an Intra-City Memorandum of Understanding (MOU) between the Certified Neighborhood Councils and the Department of Water and Power. Neighborhood Councils were established in accordance with Article IX of the Los Angeles City Charter with the intent to create a citywide system of citizen councils to promote participation in city government and responsiveness to local community needs. Department of Water and Power (DWP) took the bold and proactive step of drafting an Memorandum of Understanding that may become the template used by all city departments to facilitate communication, education and notification of neighborhood councils. In view of the importance of the Memorandum of Understanding both to Department of Water and Power as well as other city departments and given that the requisite five Council meeting days set forth in Charter Section 245 are likely to elapse before the Commerce, Energy and Natural Resources Committee can properly review this matter, immediate action is needed by the Council to preserve its right to consider Department of Water and Power's (DWP's) proposed Memorandum of Understanding before the Board's action becomes final. THEREFORE MOVE that pursuant to Section 245 of the Los Angeles City Charter (Proposition 5) the City Council hereby asserts jurisdiction over the action taken by the Board of Water and Power Commissioners on April 5, 2005 relative to an Intra-City Memorandum of Understanding between the Certified Neighborhood Councils and the Department of Water and Power. FURTHER MOVE that, upon assertion of jurisdiction the matter be referred to the Commerce, Energy and Natural Resources Committee for further review and consideration.

INTRA-CITY MEMORANDUM OF UNDERSTANDING BETWEEN CERTIFIED NEIGHBORHOOD COUNCILS AND LOS ANGELES DEPARTMENT OF WATER AND POWER

This five-year Memorandum of Understanding (hereinafter "MOU") is mutually agreed upon by the City of Los Angeles acting by and through the Department of Water and Power ("LADWP") and Certified Neighborhood Councils, effective upon the date approved by the Board of Water and Power Commissioners of the City of Los Angeles.

RECITALS

Whereas Article IX of the charter of the City of Los Angeles and the implementing Regulations as currently set forth in Ordinances Nos. 174006 and 174975 provide that:

(1) Information from the City should be sent to certified Neighborhood Councils as soon as practical so that certified neighborhood councils are afforded as much opportunity as is practical to provide comment before decisions are made;

(2) Certified Neighborhood Councils may provide comment and feedback to the City Council, its committees, and to City boards and commissions by using the Early Notification System. The Neighborhood Council may communicate its views either by way of mailed letter, fax, E-mail or by a representative appearing in person to make a presentation on an item before the City's decision-makers; and

(3) Neighborhood Councils shall monitor the delivery of City services in their respective areas and have periodic meetings with responsible City departments, subject to their reasonable availability; and

Whereas LADWP and the Neighborhood Councils mutually agree that the People of the City of Los Angeles will benefit from increased communication and cooperation between LADWP and the Neighborhood Councils;

LADWP WILL DO THE FOLLOWING:

1. LADWP Liaisons:

1.1. LADWP will designate a person(s) as the primary point of contact with each Neighborhood Council ("LADWP Liaison"). LADWP will assign a primary LADWP Liaison to each of the seven Los Angeles Planning Districts. LADWP Liaisons may be assigned to more than one Neighborhood Council.

1.2. Each LADWP Liaison will be responsive to each Neighborhood

Council whose boundaries fall, in whole or in part, within the Planning District to which they are assigned.

- 1.3. The duties of an LADWP Liaison include (1) attending and participating in board and committee meetings of Neighborhood Councils in their assigned districts regarding matters involving LADWP, (2) receiving requests for information, assistance or service from Neighborhood Councils in their district, transmitting the requests to the appropriate person(s) within LADWP, attempting to provide responses to the Neighborhood Council in a timely manner; and (3) processing requests for speakers or educational materials (as more fully described in Section 3, "EDUCATION," and Section 4, "DELIVERY OF SERVICES," below).
- 1.4. In order to assist the LADWP Liaison, Neighborhood Councils shall channel all requests for information through their LADWP liaison and the Neighborhood Councils shall make best efforts to notify the LADWP liaison of any requests made by their constituents through other means. This section shall not apply to homeowner requests for information relating to infrastructure issues, such as a short power outage or permit information.
- 1.5. Within 15 days after execution of this MOU, LADWP will provide notification of the name, telephone number, facsimile number, mailing address and e-mail address for each LADWP Liaison to the Neighborhood Councils.
- 1.6. Within 30 days after LADWP assigns a new person as an LADWP Liaison, LADWP will provide the name, telephone number, facsimile number, mailing address and e-mail address for each LADWP Liaison.

2. NOTIFICATION BY DEPARTMENT OF WATER AND POWER.

- 2.1. LADWP will provide notification as soon as practical of all matters that it deems to be significant, or any matter that the Neighborhood Council Oversight Committee, after a majority vote of the Committee, has informed LADWP in writing is significant. The majority vote of the Neighborhood Council Oversight Committee shall stay in effect unless and until a majority of the Neighborhood Councils that have entered into this MOU take official action (as defined in Section 6.1) deeming the matter not significant. Among the purposes of notification by LADWP is permitting Neighborhood Councils to have input into decisions by LADWP and to monitor the delivery of services by LADWP. A good faith effort will be made by both parties to abide by the timeframes in this MOU.

LADWP will provide notification as soon as practicable, but before the Board of Water and Power Commissioners (the "Board") adopts

a major policy or program, or significant changes in an existing major policy or program.

- 2.2. Unless otherwise specified below, LADWP will provide notification to all of the following recipients:
 - 2.2.1. The President/Chair of each Neighborhood Council, as determined by the Roster of Neighborhood Councils maintained and published by the Department of Neighborhood Empowerment ("DONE"); and
 - 2.2.2. Any Neighborhood Council member who requests to receive notification by signing up on the LADWP Neighborhood Council list server and the Neighborhood Council Representative designated pursuant to section 5.1 of this MOU.
 - 2.2.3. The Neighborhood Council Representative designated pursuant to section 5.1 of this MOU.
- 2.3. LADWP shall provide notification through one or more of the following methods;
 - 2.3.1. Electronic mail;
 - 2.3.2. U.S. mail;
 - 2.3.3. Facsimile; or
 - 2.3.4. Posting of material on LADWP website with a link sent to recipients identified in Section 2.2 above.
 - 2.3.5. When LADWP provides notification by electronic mail, LADWP will use its best efforts to satisfy requests for notification by an alternate means, including U.S. mail, to persons who do not have access to e-mail or who are unable to download attachments to e-mail messages.
- 2.4. LADWP will use its best efforts to provide notification concerning the following documents not less than 90 days before they are finalized by LADWP:
 - 2.4.1. Ten-Year Capital Improvement Program. Every two or three years, the LADWP Water Services prepares a document entitled "Ten Year Capital Improvement Program." LADWP will use its best efforts to provide Neighborhood Councils with opportunity to have input into this document before it is finalized.
 - 2.4.2. Urban Water Management Plan. LADWP will use its best efforts to provide Neighborhood Councils with notice of public workshops relating to an Urban Management Plan as

soon as they are scheduled.

2.4.3. LADWP Power System 10-year Integrated Resource Plan (IRP).

2.4.4. LADWP Power System Operations Business Plan that looks at near-term and long-term goals and objectives for replacing or upgrading aging distribution and transmission equipment and load growth improvements.

2.5. Local Issues

2.5.1. LADWP and the Neighborhood Councils recognize that many issues regarding LADWP services will be specific to individual neighborhoods. For such local issues, the Neighborhood Council Representatives will contact their LADWP Liaison.

2.5.2. The LADWP Liaison will direct the Neighborhood Council inquiry to the appropriate person or division within LADWP.

2.5.3. LADWP will use its best efforts to provide a response as soon as possible, but no later than 48 hours after the inquiry is made.

2.5.4. If LADWP is unable to provide a substantive response within 48 hours, LADWP will use its best efforts to provide the Neighborhood Council with a status report every 14 days until a substantive response can be provided.

2.5.5. If provided five (5) working days' notice, LADWP will use its best efforts to send a knowledgeable representative to attend a meeting of a Neighborhood Council, or a meeting of a committee of a Neighborhood Council, regarding service issues. If LADWP is not provided with five (5) working days' notice, LADWP will make its best efforts to accommodate requests that an LADWP representative attend a meeting.

2.5.6. LADWP may prepare an oral or written periodic report for each planning district that identifies significant new Neighborhood Council issues or concerns as soon as practical.

2.6. Planned Significant Projects within the City of Los Angeles

2.6.1. Significant Projects: LADWP will use its best efforts to provide notification of Significant Projects 90 days prior to the commencement of work to be constructed within the City of Los Angeles. For purposes of this subsection, "Significant

Projects” is defined as those projects, programs and activities that would require either an Environmental Impact Report (EIR) or a Mitigated Negative Declaration (MND) in accordance with the California Environmental Quality Act (CEQA) and excludes programs, projects and activities that would qualify for either a simple negative declaration or a categorical exemption.

2.6.2. Closing of Streets: LADWP will use its best efforts to notify the affected Neighborhood Councils when LADWP applies for an excavation permit that will involve the closing or partial closing of streets for 48 hours or more.

2.7. Unplanned Major Disruption of Services Lasting Four (4) Hours Or More:

2.7.1. Where there is an unplanned major disruption of services lasting four hours or more, LADWP will use its best efforts to notify the Neighborhood Council(s) in the affected area within two working days after the event/occurrence that caused the disruption of service.

2.8. Major Customer Programs: LADWP will use its best efforts to provide reasonable notification of changes or creation of Major Customer Programs. This includes, but is not limited to significant changes to customer programs such as “Green Power,” renewable energy programs, water recycling programs, conservation programs etc.

2.9. The LADWP Budget Process

2.9.1. LADWP will use its best efforts to provide Neighborhood Councils with notification relating to the development of its annual budget at the same time as LADWP provides notification to other reviewing agencies, boards or bodies, including but not limited to the Board or City Council. In addition, LADWP will use its best efforts to provide specific notification to Neighborhood Councils as follows:

2.9.2. Stage One: Fall Budget Workshop.

2.9.2.1. In October or November of each year, LADWP will hold a Neighborhood Council Budget Workshop at a time and location designed to be convenient for as many Neighborhood Council members as possible.

2.9.2.2. At the Fall Budget Workshop, LADWP will present information to Neighborhood Councils regarding

the multi-year financial plans and the adopted budgets for the current fiscal year. LADWP will use its best efforts to provide notification of the Fall budget Workshop 60 days before the workshop is scheduled to take place.

2.9.3. Stage Two: Winter Budget Workshop:

2.9.3.1. In January or February of each year, LADWP will host a Neighborhood Council Budget Workshop at a time and location designed to be convenient for as many Neighborhood Council members as possible.

2.9.3.2. At the Winter Budget Workshop, LADWP will provide further clarifications to any questions from the Neighborhood Councils regarding the upcoming fiscal year's budget, based upon the information provided at the Fall Budget Workshop. LADWP will use its best efforts to provide notification of the Winter Budget Workshop 30 days before the workshop is scheduled to take place. Neighborhood Councils will provide a written response to LADWP that includes, but is not limited to comments, suggestions, and/or objections for consideration in the development of the upcoming fiscal year's budget 60 days after the Fall Budget Workshop.

2.9.4. Draft Budget for Upcoming Fiscal Year: When materials for the upcoming fiscal year draft budgets are posted for review (generally scheduled in May or June of each year) on LADWP'S website, LADWP will use its best efforts to provide notification to the Neighborhood Councils. The website will also contain the time and meeting location for the Board's Draft Budget and Financial Plans Review. It is LADWP's policy to post matters for review as soon as they are completed.

2.10. Rate Action

2.10.1. For the purposes of this section, "Rate Action" is defined to include changes in the rates, rate formulas, rate structures or rate tiers that must be approved by the City Council by ordinance and are used by LADWP in calculating the amount billed or charged to any residential or non-residential retail business customer. For example, this section does not include new business service rates,

special contract rates, wholesale electric pricing, transmission pricing, special service contracts, outdoor area lighting rates, or other special fees that are not applicable by tariff. For purposes of this section, "outdoor area lighting rates" means lighting that retail customers wish to add to their property, and does not mean street lighting.

2.10.2. LADWP will use its best efforts to provide notification of any proposed Rate Action. Such notification will include the Rate Action and upon request copies of the supporting documentation provided to the Board and the City Council for consideration:

(i) Ninety (90) days before the proposed rate action is submitted to the Board if the rate action is for a single year or

(ii) One hundred twenty (120) days before the proposed rate action is submitted to the Board if the rate action is for multiple years.

2.10.3. LADWP will use its best efforts to provide seven (7) days' notice of any meeting at which the Board is scheduled to take action on a proposed rate action.

3. EDUCATION

3.1. LADWP and the Neighborhood Councils intend for the education component of these Guidelines to be a reciprocal, shared, joint and mutual process. It is essential that the Neighborhood Councils have as full and complete an understanding as possible of how LADWP operates. The Neighborhood Councils shall offer LADWP a method for making information available to Neighborhood Council stakeholders.

3.2. LADWP may publish a monthly electronic newsletter focused on Neighborhood Council issues as they relate to LADWP. LADWP welcomes input from Neighborhood Councils on the content and focus of the newsletter. LADWP shall also make the newsletter available on the LADWP website.

3.3. LADWP Liaisons will educate Neighborhood Councils regarding the organization and workings of LADWP.

3.3.1. This could include such matters as the responsibilities of Water Services and Power Services and information relating to existing major policies or programs.

3.3.2. LADWP may provide such education through workshops, participation in Neighborhood Council Congresses, presentations at Neighborhood Council meetings, and distribution of written materials.

3.4. LADWP will use its best efforts to accommodate requests by Neighborhood Councils for speakers at Neighborhood Council meetings and events to make presentations on areas of interest. Topics to be covered may include the following local as well as city-wide issues, including but not limited to:

- Urban Water Management Plans
- Renewable Portfolio Standard
- Power Integrated Resource Management Plan
- Water Services' Ten-Year Capital Budget
- Greening of Transmission Right of Ways
- Overhead/Underground Conversion of Power Facilities
- Water and Electric Rates
- Recycled Water Development
- Water Conservation
- Energy Efficiency Programs
- Water Quality Issues
- Security Issues
- Recreational Use of LADWP Facilities
- Tree Planting Program

3.5. Channel 35: LADWP will make use of Channel 35, including broadcasting all meetings of the Board and broadcasting informational programs.

3.6. LADWP Legislative Priorities. The activities of LADWP are governed by numerous federal, state and local statutes and regulations. Neighborhood Councils will be provided information relating to proposed changes to statutes and regulations that may affect LADWP upon request.

3.7. Educational Site Visits: LADWP may invite members of Neighborhood Councils or stakeholders to participate in site visits to LADWP facilities. LADWP will provide information about the site visits to Neighborhood Councils and/or other interested parties. These site visits may include but are not limited to the following facilities/locations:

3.7.1. Owens Valley: Including water collection and conveyance facilities, and some power facilities, along with presentations on significant policy issues.

3.7.2. In-City Water: Filtration Plant and other facilities and projects.

3.7.3. In-City Power: Scattergood Generating Station, Valley
Generating Station renewable generation facilities.

4. DELIVERY OF SERVICES

- 4.1. Pursuant to section 909 of the Los Angeles City Charter, Neighborhood Councils shall monitor the delivery of City services in their respective areas and have periodic meetings with responsible officials of City departments, subject to their availability.
- 4.2. LADWP will hold an annual meeting with the Neighborhood councils in each of the seven Los Angeles planning areas to discuss delivery of services at a programmatic level.
 - 4.2.1. At these meetings, LADWP will discuss planned maintenance programs, improvements in service, and improvements in infrastructure within the Planning Area.
 - 4.2.2. At these meetings, Neighborhood Councils shall have the opportunity to bring any matters of concern to the attention of LADWP. LADWP shall not be obligated to respond to any matter that is in litigation, potential litigation, a security issue, and/or covered by any applicable privilege including, but not limited to the attorney-client privilege.
 - 4.2.3. At these meetings, LADWP and the Neighborhood Councils shall review LADWP's priorities for work in the communities and may suggest adjustments as permitted by budgetary and reliability constraints.
 - 4.2.4. As appropriate, LADWP will consider the results of these discussions in development of LADWP's capital improvement program for future infrastructure improvements.
 - 4.2.5. LADWP Power Systems will discuss reliability improvement projects and share information on various incentive programs available to customers for energy efficiency, solar, green power, water conservation, and outdoor area lighting.
- 4.3. Measurement of Delivery of Services:
 - 4.3.1. LADWP will identify and provide to the Neighborhood Councils the standards it uses to measure its performance.
 - 4.3.2. LADWP will identify and provide existing, readily-available, nonproprietary reports regarding LADWP's performance.

NEIGHBORHOOD COUNCILS WILL DO THE FOLLOWING:

5. Neighborhood Council Representatives

- 5.1. Each Neighborhood Council shall designate a person as the point of contact for communications with LADWP. Each Neighborhood Council is responsible for determining how this person ("NC Representative") is designated.
- 5.2. Each Neighborhood Council will provide the name, mailing address, phone numbers(s) and e-mail address of its representative to the designated LADWP Liaison(s) that is responsible for interfacing with such Neighborhood Council. In order to assure good communication, updated contact information will be provided to the assigned LADWP Liaison(s).
- 5.3. Neighborhood Council representatives will use their best efforts to provide annual NC Board membership and contact information to the Department of Water and Power.
- 5.4. Each Neighborhood Council MOU participant will designate a single representative to serve as designee for reserving meeting rooms at LADWP facilities, and maintaining required compliance with LADWP Commuter and Reservation Office room reservation procedures.

6. NOTIFICATION BY NEIGHBORHOOD COUNCILS ON LADWP ISSUES:

- 6.1. LADWP will recognize official actions taken by Certified Neighborhood Councils. "Official Actions" are actions adopted by motion at a public meeting held in accordance with the requirements of the Brown Act.
- 6.2. If a Neighborhood Council, or a committee of a Neighborhood Council, intends to include on any meeting agenda any matter relating to LADWP, that Neighborhood Council shall provide 14 days notice to LADWP before the Neighborhood Council, or committee of a Neighborhood Council, takes any official action on that matter.
- 6.3. At the meeting, LADWP will request the opportunity to present LADWP's position on the matter raised by the Neighborhood Council, including giving an LADWP representative a reasonable amount of time to make a presentation.

7. NEIGHBORHOOD COUNCIL RESPONSE TO LADWP NOTIFICATIONS:

- 7.1. The purpose of many of the LADWP notifications described in Section 2 above is to give Neighborhood Councils the opportunity to provide input before decisions are made by LADWP. In reciprocation, the Neighborhood Councils will use their best efforts

to provide this input to LADWP in a timely manner, so that LADWP may consider their input. The President of the Neighborhood Council or his/her authorized representative will give said notifications after a vote by the Neighborhood Council approving the position of the Neighborhood Council. This notification shall be forwarded to the General Manager for consideration.

- 7.2. Where LADWP has provided the Neighborhood Councils with notification pursuant to any of section of this MOU, each Neighborhood Council will make its best efforts to provide written input to LADWP within 60 days after receipt, unless otherwise provided by this MOU.
- 7.3. Neighborhood Councils also can monitor LADWP's provision of services on a citywide level through the Neighborhood Council's participation in the annual budget process and development of other long-term plans, discussed in section 2, above.

8. NEIGHBORHOOD COUNCILS' LADWP OVERSIGHT COMMITTEE:

- 8.1. Each Neighborhood Council will independently decide whether to enter into this MOU. Due to the large number of Neighborhood Councils, it will be impractical for each Neighborhood Council to separately negotiate any modifications to the MOU with LADWP, and for LADWP to separately negotiate modifications with each Neighborhood Council. For this reason, each Neighborhood Council that enters into the MOU will be asked to separately agree to the appointment of a Neighborhood Councils' LADWP Oversight Committee.
- 8.2. The members of the Neighborhood Councils' LADWP Oversight Committee shall be selected by the NC Representatives from each of the Neighborhood Councils that enter into the MOU.
- 8.3. Although DWP respects the right of each Neighborhood Council to decide whether or not to sign this MOU, LADWP supports a single MOU. LADWP will make information available to all Neighborhood Councils on its website, regardless of whether they have signed this MOU
- 8.4. The LADWP Oversight Committee will provide LADWP annual and updated rosters of its members and Neighborhood Council MOU representatives.
- 8.5. Prior to each meeting the LADWP Oversight Committee will use its best efforts to provide LADWP with an agenda.

- 8.6. After each meeting the LADWP Oversight Committee will use its best efforts to provide minutes of the meeting, including a roster of attendees.

GENERAL PROVISIONS

9. MODIFICATION OF MOU:

- 9.1. The MOU may be modified in writing by mutual agreement by the Board of Water and Power Commissioners and participating Neighborhood Councils. Either LADWP or the LADWP Neighborhood Councils' Oversight Committee may propose amendments. Both LADWP and the LADWP Neighborhood Councils' Oversight Committee agree to meet with each other within sixty days (60) after a modification to this MOU has been requested in writing.

10. DURATION OF MOU

- 10.1. This MOU shall expire five (5) years after it is first executed by LADWP, or earlier upon the effective date of an ordinance passed by the Los Angeles City Council that establishes different or amended regulations for Neighborhood Councils which are inconsistent with the terms of this MOU.
- 10.2. This MOU can be extended in writing by mutual agreement of the parties. With the passage of time and use of this MOU, it is anticipated that the provisions of this MOU will be modified and extended to enhance effective communication between the parties.

11. STATEMENT REGARDING BEST EFFORTS.

- 11.1. While this MOU contains non-binding compliance dates, both LADWP and the Neighborhood Councils pledge to make their best efforts to comply with all of the provisions of the MOU. Both parties recognize that no cause of action can arise by the failure of either party to comply with any provision of this MOU. This MOU shall not establish any rights for any third party that is not a signatory to this MOU.

12. EMERGENCY

- 12.1. If an emergency is declared by the General Manager, the Board of Water and Power Commissioners or the City Council, all obligations under this agreement shall be suspended until the emergency is over.
