

**CITY OF LOS ANGELES  
SUPPLEMENTAL FORM**

**ENGINEERING ASSOCIATE - CAMPUS EXAMS**

\_\_\_\_\_  
(Print name)

\_\_\_\_\_  
(Social Security Number)

1. Do you have an EIT certification number or a PE registration number? No \_\_\_\_\_ Yes \_\_\_\_\_

If yes, list EIT # \_\_\_\_\_ or PE # \_\_\_\_\_

2a. If you **have** graduated with a four-year degree in Engineering, enter the name of school, type of degree earned and major, and graduation date below:

\_\_\_\_\_  
(Name of school)

\_\_\_\_\_  
(Degree earned & Major)

\_\_\_\_\_  
(Graduation date: Month/Year)

2b. If you have **not** graduated, enter the name of school that you are currently attending, your major, and your anticipated graduation date below:

\_\_\_\_\_  
(Name of school)

\_\_\_\_\_  
(Major)

\_\_\_\_\_  
(Anticipated graduation date:  
Month/Year)

3. Check **ONLY ONE** box next to the exam you are interviewing for. Then list the appropriate semester or quarter units you have completed in engineering in the chart provided on the next page. (If you have an EIT certification # or a PE registration # listed above, do **not** complete this section.)

- Civil Engineering Associate (Code No. 7246):** 24 semester or 36 quarter units of core courses completed in civil engineering
- Electrical Engineering Associate (Class No. 7525):** 24 semester or 36 quarter units of core courses completed in electrical engineering
- Environmental Engineering Associate (Class No. 7871):** 12 semester or 18 quarter units of core courses completed in environmental engineering
- Mechanical Engineering Associate (Class No 7554):** 24 semester or 36 quarter units of core courses completed in mechanical engineering
- Street Lighting Engineering Associate (Class No. 7527):** 24 semester or 36 quarter units of core courses completed in electrical or civil engineering
- Structural Engineering Associate (Class No. 7957):** 12 semester or 18 quarter units of core courses completed in structural engineering
- Transportation Engineering Associate (Class No. 7280):** 9 semester units or 12 quarter units of transportation engineering, civil engineering and/or computer science courses
